Finding NCSA:

From the Hampton Inn: Walk across University Ave (the busy street in front of the hotel) at the intersection with Goodwin Ave. Proceed down Goodwin (south) past the parking garage on your right, and turn right onto Clark St., just past the garage. The NCSA building is now on your left. Enter through the main entrance on Clark to find the registration desk.

From the Holiday Inn: If you are driving, exit the hotel area and turn right (south) onto Lincoln Ave. Proceed 1.1 miles to the light at University Ave. and turn right (west). At the next light, turn left (south) onto Goodwin Ave. Make an immediate right into the parking garage to park. The NCSA building is just south of the garage. Enter through the main entrance to find the registration desk.

From out of town: Consult the on-line direction from Willard Airport and the nearby interstate highways at <http://www.ncsa.uiuc.edu/AboutUs/Facilities/directions-ncsa.html>
