

# The Infrastructure Working Group

## Task Management

- [?Current Task List](#)

## Processes & Procedures

- All Infrastructure Working Group-related tasks are represented as trac tickets. The component is "infrastructure".
- Tasks will include a "due date" in the title of the task.

## Conference Calls

The Infrastructure Working Group conducts conference calls bi-weekly on Mondays at 12N CT.

The usual format of the meeting is to discuss recently closed and/or currently open tickets.

## Agenda & Minutes

- [July 20, 2009](#)
- [July 7, 2009](#)

## Project Documentation

- [?Sites & Systems](#)
- [?LSST Network Design](#)
- [?The Reference Design for Infrastructure](#)
- [?Cost Estimate Spreadsheet](#)
- [?Security Plan](#)
